PITTSFIELD FIRE/RESCUE DEPARTMENT, PITTSFIELD, NEW HAMPSHIRE

VOLUME 13 ISSUE 7

July 2009

**Congratulations to Arlene Norton and Peter Pszonowsky for completing the EMT-B course and receiving certification!**

Please join us in welcoming Bob Legg as a member of the Support Unit. Bob will be assisting with scene photography. Thank you to Bob for the documentation at the Main Street fire.

## Sunday Refreshers training

Sunday refreshers continue in July. These are a great opportunity to revisit skills before we're called upon to use them and find out that we're rusty. Please let Lt. Tyler know if you plan to attend and if you have any topics you want to cover in August.

1400 July 19 - Air Bag/Rescue Tool Refresher
