PITTSFIELD FIRE/RESCUE DEPARTMENT, PITTSFIELD, NEW HAMPSHIRE

VOLUME 13 ISSUE 10

October 2009

Please see Lt. Abell regarding assistance during **FIRE PREVENTION WEEK.**

Educational programs will be held the week of Oct. 19, ending with the **OPEN HOUSE** on Sat., Oct. 24

The new video door monitoring system has been installed. If the intercom phone rings, simply pick up and a 2-way audio connection is established. If the visitor presses the Door bell and not the Intercom, pick up the intercom and press Flash to connect.

Sunday Refreshers training

Sunday refreshers continue. These are a great opportunity to revisit skills before we're called upon to use them and find out that we're rusty. Please let Lt. Tyler know if you plan to attend and if you have any topics you want to cover. Trainings in September included Lifting Air Bags and a field trip to FireAlarm.

Congratulations to EMT-B Peter Pszonowsky who recently obtained National EMS certification!
